0 of 0 people found the following review helpful. Classic for being an expert witness on water resources cases. By Michael C H Tso. A thin little booklet, but has all the key points you need. Comparable to the Elements of Style in English grammar.

Published by the American Geophysical Union as part of the Water Resources Monograph Series, Volume 8. The gavel goes down, the witness is called and sworn in: "Will you tell the truth, the whole truth, and nothing but the truth, so help you God?" Every court day scientists and engineers take this oath, yet few know the duties of an expert witness and fewer still know the procedures in a lawsuit. Unprepared for the courtroom, they watch a drama unfold without benefit of the plot (Ball, 1975). C ...
