I enjoy the comfort of not having to carry around a paper back book. I was able to access it on my phone as well as my tablet with easy. This book was purchased for my criminal justice classes. it is easy to read and very informative on the criminal justice court process.0 of 1 people found the following review helpful. Succeeding as an Expert Witness Fourth EditionBy Victor A. ShierThis is a good book for anyone wishing to become an expert witness especially experts in a scientific field. It contains many helpfull "do's and don'ts." However, this is not the original Feder's book and it is expensive.Feder's Succeeding as an Expert Witness, Fourth Edition0 of 1 people found the following review helpful. Book purchaseBy Stephanie A. MogilIt was a tad expensive for what it is, but the book was in great condition. Thanks.

As the first major revision since 2000 of the landmark handbook on expert testimony, this fourth edition provides the crucial, insider information that todays testifying forensic experts want and need to not only survive, but thrive in deposition and court testimony. Comprehensively reorganized to accommodate greater breadth and scope, this edition makes it even easier to find and use information on the most vital topics, including deposition and direct and cross-examination testimony of expert ...
