0 of 0 people found the following review helpful. Must READ!!By The realDr. Kitaeff was my professor. Great book and written by someone in the field who knows the business of forensic psychology.

This book presents a scholarly examination of some of the most popular psychiatric disorders, psychological syndromes, trauma disorders, addictions, and emotional injury claims in an attempt to determine if these are merely forms of malingering being used to achieve financial gain through litigation, or as a means of escaping criminal or civil responsibility. The book also examines unreliable and unsubstantiated treatment and assessment methods used by the mental health industry which find thei ...
